Poke That Practice Monster

Young to old, novice to expert: consistent (daily) and focused practicing are the keys for growth in technique, tone, musicianship, key literacy, and self-confidence. It's up to you!

Here are 5 links to inspire improved musical problem solving and to plan a practice regime for success:

New Year's Resolutions

Make a personal plan for self-improvement in 2021!

It is all about defining musical goals. Here are the steps to achievement:

1. Assess your own artistic strengths and weaknesses.
2. Prioritize your needs for improvement.
3. Make an action plan to address these areas.
4. Devote the necessary time and resources to the plan.
5. Be consistent: practice makes self-confidence.
6. Review progress and make corrections as needed.
