

## South Hills Junior Orchestra Concert Attire Order Form

For formal concerts, all musicians must wear a white tuxedo-style long sleeved, dress shirt with a collar. Males will wear black dress trousers and girls will wear formal, floor-length black skirts. Males should wear dress shoes with high black socks and females should wear black dress, closed-toe shoes with nude hose/socks.

A blue cummerbund and bow tie are required and must be purchased directly from SHJO to maintain color consistency. These are worn for all concerts designated to be "formal." For informal concerts the SHJO polo shirt is substituted for the tuxedo-style dress shirt, and is worn with the same skirts or dress trousers as for formal events.

The cummerbund and bow tie combo and the SHJO polo shirt can be ordered by completing this form and submitting it with payment. Payment is due at the time of the order. The form and payment can be given to the Managing Director at rehearsal at least one month before performances or it can be mailed to:

Attention: Concert Attire Committee
